A trash survey will be released in the next couple of weeks. Residents can participate regardless of their attendance at the forum.

The mayor reminded residents to sign up for the Village email, so they know what's going on in the Village. You can sign up at the Village website, tivoliny.org.

A summary of the events coming up in the Village are as follows:

- There will be a Potluck supper this Friday, June 20th, at 6:00 PM at the American Legion, possibly with music provided by The Hootenanny.
- Pride Walk will be led by the Tivoli Fire Department firetruck on June 21st. Janett Pabon (who is always "the party") is hosting the dance party at Hotel Tivoli.
- Yard Sale Day is not until July 26th; you have time to register!
- Tivoli Day is the weekend after Yard Sale Day, on Saturday August 2, 2025.
- Summer camp registration still has spaces available! Registration closes on July 25th.

WHEREAS, the Village and DCWWA entered into an Agreement for Transfer of Water and Wastewater Systems dated as of April 19, 2019 (Transfer Agreement”), and entered into an Intermunicipal Agreement for the Operation, Maintenance and Improvement of the Village’s Water and Sewer Systems dated as of February 27, 2019, as amended by Rider 1 dated as of November 20, 2024 (as amended, the “**IMA**”), pursuant to which the Village undertook a capital project for replacement of the water tank, including demolition of the former water tank, refurbishment of wells, and replacement of certain distribution lines, prior to conveyance of the system to DCWWA; and

WHEREAS, pursuant to the Transfer Agreement the Village has conveyed the Village’s Water System to the DCWWA by deed dated as of November 20, 2023, together with a License Agreement—Existing Water Main dated as of November 30, 2023, and the DCWWA has financed the repayment of the Village’s short term obligations incurred for such capital project and remaining capital costs through a revenue obligation issued to NYS Environmental Facilities Corporation (“**EFC Water Financing**”), with such financing to be repaid from revenues of the Zone of Assessment created for the former Village Water System area; and

WHEREAS, as a result of post construction testing conducted in connection with the tank demolition that was part of the capital project, the Village has determined that it is necessary to undertake a remediation plan at former water tank site identified on the attached Exhibit A (“**License Area**”) to address residual lead identified by DEC as the likely result of former water tank lead paint, as described in the NYS DEC report (“**Report**”) on file with the DCWWA (the “**Work**”); and

3. The DCWWA and Village will consult with one another regarding the terms and conditions of the consulting agreements and contracts to ensure that the Work is carried out in a

manner consistent with the Report, including any required observations and approvals by NYS DEC. DCWWA will notify the Village of all onsite work and the Village shall be entitled to have a representative present at all times during such work, including testing. Contracts will include without limitation the required policies and contractor indemnity provisions for the benefit of the DCWWA and the Village as identified at Schedule D to the IMA.
