Public Comment

George Beekman questioned the service charge on the water budget. Mayor Blundell responded with that was the additional electric charges that were incorrectly billed.

Steve Zacharzuk asked the Board if they were ever instructed on how to better serve the community with less and what safeguards are in place that this does not happen again next year. Mayor Blundell responded with repurposing the Police Department and having more budget lines it can be watched more closely.

David Fell – as far as the police shared services, the Town threw the Village under the bus due to the fact that they backed out of their commitment to the Village halfway through our budget. Mr. Fell also feels that we do not charge enough per hour for an officer. The Village buys the cars and maintains them. Also the Fire Department shortfall is it in the new budget. Mayor Blundell reassured that it was.

Mike Brown commended the Board for their efforts.

Deputy Mayor made a motion to adjourn the meeting at 8:20 PM. Trustee Trapp seconded. All were in favor.
