

**VILLAGE OF RED HOOK  
MONTHLY BOARD MEETING  
MAY 13, 2019**

Present: Mayor Blundell, DM Kovalchik, Trustee Norris, Trustee Trapp, Trustee Laing, Clerk/Treasurer Chiarella.

Mayor Blundell opened the meeting at 7 pm with the Pledge of Allegiance.

Mayor Blundell made a motion to approve minutes from April 8th, 18th, and May 2nd. Trustee Trapp seconded this motion. All were in favor.

Red Hook Central School - Budget Presentation - Business Manager Bruce Martin and Superintendent Paul Finch were present: Paul Finch stated the school will remain within the 2 % tax cap due to 5-6 teachers retiring lower new health plans, 3 senior support staff. Enrollment is down may eliminate one Kindergarten class. There is also a school bus purchase for \$ 330,000. The budget is down 1.13 Million and a 2 million construction debt is paid off. School vote is May 21st at the Mill Rd School.

Red Hook Library - Present are Jill Hall, Don O'Shea - budget will increase 4.5 % which is \$16,000 in income to the library.

Village of Tivoli Library - Erica Kane (President) Total budget is \$ 80,000 which is within 2 % and an increase of \$ 1600.

**PUBLIC HEARING - Sewer Use Law**

Mayor Blundell opened the Public Hearing at 7:38 and opened discussion on changes on the sewer use law. Mayor Blundell reviewed Local Law 2-2019. No Comments. Mayor Blundell made a motion to close the Public Hearing at 7:45. Trustee Trapp seconded this motion. All were in favor.

**DEPARTMENT REPORTS**

**TREASURER'S REPORT**

Presented by Clerk/Treasurer Chiarella

Account Balances

General Fund	\$ 359,144.70
Water Fund	\$ 207,634.93
Trust & Agency	\$ 32,490.22
Material Mgt.	\$ 905.23
Petty Cash	\$ 51.61
Village Green	\$ 4,149.92

Hardscrabble	\$ 1,464.00
Health Ins.	\$ 8,478.45
Sewer Fund	\$ 10,120.00

Monthly Expenses

General Fund	\$ 128,934.82
Water Fund	\$ 28,725.50
Trust & Agency	\$ 32,490.22
Material Mgt.	\$ 2,025.77

Treasurer Chiarella stated the General Fund balance is stable with all large income and expenses received and one payroll left for this fiscal year.

Mayor Blundell made a motion to approve the Treasurer’s report as submitted. Trustee Trapp seconded this motion. All were in favor.

**POLICE**

	Village of Red Hook	Town	Tivoli
Incident – 34	253	83	85
UTT’s - 124	82	42	
Arrests - 17	10	7	

Mayor Blundell stated the speed trailer is in use and being shared with the Town.

**PLANNING AND ZONING**

- Building Permits - 6
- Certificates of Occupancy - 1
- Certificates of Compliance - 4
- Municipal Searches - 2
- Orders to Remedy - 2
- Fire Inspections -9

\$ 1,269.00 was collected in fees.

**MATERIAL’S MANAGEMENT**

For the month of April, we sold \$2646 in garbage tags and paid out \$1022.54. We had 9.5 tons of garbage, 2.81 tons of paper/cardboard, and 1.33 tons of commingled.

Recycling has become a global problem, with many of the larger waste companies also having issues. We are recycling!! We will be alternating paper and cardboard (which must be

separated) with commingled. We will also be having our annual spring cleaning tag sale, buy 10 of one color, get one free.

## EVENTS

Thank you to David Wright and the Red Hook Rotary for another fantastic Apple Blossom Day.

The Memorial Day Parade will be Monday, May 27 at 10am, with line up at 9:15 at the High School.

The Fire Department will be celebrating their 100<sup>th</sup> anniversary on August 16 & 17, stay tuned for additional details.

We are gearing up for Hardscrabble Day which will be Saturday, September 21. Trustee Norris stated there is Food Drive June 11.

## WATER

- During the month of April, the water treatment facility treated 6,644,900 total gallons, which is an average of 221,500 gallons per day.
- All bacteriological samples for the month were collected and transported to Smith Environmental Laboratory Hyde Park.
- During the month of April, the water treatment plant used 55 gallons of sodium hypochlorite. The average daily use was 1.83 gallons per day.

## VILLAGE GREEN

The current balances of the Village Green Committee's related budget accounts, as of April 30, 2019, are as follows:

- Community Beautification – Contractual Expenses (#8510.4)  
Balance . . . . . \$ 954.70
- Shade Tree – Contractual Expenses (#8560.4)  
Balance . . . . . \$ (-) 6.30
- Village Green Committee Checking Account  
Balance . . . . . \$ 4,279.92  
(includes \$175.00 deduction for the St. Christopher's tree removal on Benner Road)

Village Green Committee Meetings were held on the following dates in preparation for the 2019 Annual Spring Planting Day and Arbor Day Celebration:

- April 20, 2019 – David Pearson and Brent Kovalchik located tree planting sites.
- April 21, 2019 – David Pearson contacted NY Dig Safely to located buried utilities at the tree planting sites.
- April 23, 2019 – Kathy Pearson, with assistance from Red Hook Town Tree Commission members, unloaded trees delivered from the nursery.
- April 26, 2019 – Michele Decker (Decker Construction) and David Pearson dug holes and prepared tree sites for planting.
- April 26, 2019 – The Red Hook Village Highway Department delivered trees and mulch to the tree planting sites.

The 2019 Annual Spring Planting and Arbor Day Celebration was held on April 27, 2019. Deputy Mayor Brent Kovalchik welcomed twelve volunteers and read the Arbor Day Proclamation. Photos were taken and team assignments were made at the Village Municipal Parking Lot. Fifteen trees were planted at sites located on Old Post Road, Fraleigh Street, West Market Street and Benner Road. A memorial tree, in memory of Village Green Committee volunteer and friend of the Village of Red Hook, was planted in Richard Abrahams Memorial Park by the Cagle Family. Arbor Day celebrations continued, after planting, at the Red Hook Town Hall where members/volunteers of the Village Green Committee and the Town Tree Commission shared a luncheon and activities.

The Village Green Committee thanks all of the volunteers, Michele Decker (Decker Construction), the Village Highway Department, and the Red Hook Town Tree Commission for all of the help and assistance that made the 2019 Annual Spring Planting and Arbor Day Celebration a success.

## **HIGHWAY**

The Highway Department is currently picking up brush and lawn debris on every first and third Monday of the month.

Residents are reminded to place lawn debris curbside and not in the road. Please limit the size of brush piles to 6' x 6' x 6' with tree branches and limbs not larger than 6" in diameter. Brush that includes tree trunks, stumps, grass clippings, garbage or building material debris will not be picked up.

The Highway Department swept Village streets during the week of May 6, 2019.

The Highway Department will be repaving portions of Kent Road and Cambridge Drive after June, 2019. The approximately \$70,000.00 project cost will be deducted from the FY2019-2020 Maintenance of Streets (#5110.42) and CHIPS (#5110.3) General Fund budget lines.

No revenue was generated from the sale of scrap metal during the month of April, 2019. Total revenue generated in FY2018-2019 is \$2,707.30. Since inception of the Scrap Metal Recycling Program in September, 2007, \$28,707.47 has been generated.

## **Red Hook Sewer Project**

- a. Meetings were held on April 5, 12 and 26, 2019 in the Red Hook Village Building. Kathryn Serra ((via telephone) C.T. Male Associates), Victoria Polidoro (Rodenhausen Chale and Polidoro LLP), Ed Blundell and Brent Kovalchik attended. The following items were discussed:
  - Discussed, reviewed and revised sections of the Sewer Use Law. A Public Hearing and determination by the Red Hook Village Board of Trustees will occur on May 13, 2019 at 7:00pm in the Red Hook Village Building.
  - Reviewed/re-capped meeting regarding DC DOH regulatory review of the Red Hook Sewer Project of April 3, 2019 at the offices of Dutchess County Department of Behavioral and Community Health (DC DOH). Kathryn Serra (C.T. Male), Chad Cowrts (C.T. Male), Lee Felshin (DC DOH), Ron Miller (DC DOH), Ron Hicks (Assistant DC Executive) and Ed Blundell attended.
  - Reviewed, discussed and responded to comments by the Dutchess County Department of Behavioral and Community Health (DC DOH) of April 9, 2019. A response, along with attachments from Orenco Systems, Inc. (4/30/19), was forwarded, by C.T. Male, to DC DOH on May 2, 2019. Additional comments from the DC DOH are expected and responses to those comments will be further addressed by the Village of Red Hook and consultants.
  - Discussed protocol and procedures to obtain NYS DEC, USDA-RD approvals after final approval by DC DOH.
  - Telephone conversations with the Dutchess County Executive's Office regarding lengthy review periods and overly restrictive requests by the DC DOH were conducted.
  - Reviewed property assessments and amounts of initial offerings for the Eminent Domain Proceedings regarding easements associated with the project. These will be sent to the following property owners after the Board of Trustees approve revisions/amendments to the Sewer Use Law:
    - Germaine A. Coon and Arvine V. Coon (34 East Market Street)
    - Michael C. and Victoria Lueck (23-25 East Market Street)
    - Vincent P. Zitz (64-66 East Market Street)

## **Red Hook Village Water Project – Phase II**

- a. Meetings were held on April 26, 2019 in the Red Hook Village Building. Robert Flores (Delaware Engineering), Biagio DelVillano (Delaware Engineering), Ed Blundell and Brent Kovalchik attended. The following items were discussed:
  - Procedures to de-commission the Tower Street elevated storage tank.
  - Reviewed correspondences from Hank Van Parys (Manager, Town of Red Hook Water District #1), Fernando Dongo (C3ND/VRI, RHV Water Operator), Jerry Gilnack (DCWWA), and Ed Blundell from (5/1/19 – 5/2/19) regarding Town/Village Water System Interconnection and RHV controls.
  - A scheduled test to remove the Tower Street elevated tank from the Village's water distribution system has been scheduled for May 18, 2019.

### **South Broadway/Old Farm Road Water Main Loop Project**

- a. Meetings were held on April 5, 12 and 26, 2019 in the Red Hook Village Building. Robert Ross, James Ross, Robert Flores (Delaware Engineering), Biagio DelVillano (Delaware Engineering), Ed Blundell and Brent Kovalchik attended. The following items were discussed:
  - Installation procedures, contractors and cost to connect RHV dead-end water mains at Old Post Road/South Broadway in the Town of Red Hook.
  - By connecting dead-end water mains, the loop will provide for more efficient, safer, and more easily repaired water distribution service to properties along Old Farm Road and South Broadway (north of M&T Bank). The costs, associated with the project, will be paid for by private property owners benefitting from the Village water connections, with oversight and permitting provided by the Village of Red Hook.

### **Community Solar Project**

- a. A meeting was held on April 26, 2019 in the Red Hook Village Building. Robert Flores (Delaware Engineering), Brandee Nelson (Tighe and Bond Engineering), Ed Blundell and Brent Kovalchik attended. The following items were discussed:
  - Review documents relating to SEQR Part I, SEQR Lead Agency, Public Hearing, public comments.
  - The project, located at the Red Hook Village Firehouse Lane Well Field Site, in the Town of Red Hook, will contain approximately 9 acres of PV solar panels and provide energy, at a reduced rate, for Red Hook Town, Red Hook Village and Village of Tivoli municipally owned buildings and facilities. It will also provide energy, at reduced costs, for residents who choose to sign up for this program.
  - A Public Hearing has been set for May 16, 2019 at 7:00pm in the Red Hook Village Building.

### **Intermunicipal Task Force (ITF)**

Charlie Laing and Brent Kovalchik – RH Village Representatives/Members

- a. Meetings were held on April 12 and 14, 2019 in the Red Hook Town Hall. The following items were discussed:
  - The ITF met with Red Hook Town Planner Michele Greig to review the proposed draft Annual Operating Permit for Short Term Rentals (STR).
  - Discussions continued regarding permitted STRs in certain RHT Zoning Districts, Hosted/Non-Hosted primary dwelling units, number of rooms permitted to be rented and possible regulations should be enacted with respect to STRs in the Town of Red Hook.
  - The goal is to propose the adoption, by the Red Hook Town Board, of balanced and reasonable regulations governing STRs, allowing citizens to share the economic benefit of their property, while protecting and preserving neighborhood character and long term housing availability.

Town of Red Hook Zoning Review Committee (RHT - ZRC) – Monthly Report  
April, 2019 – Brent Kovalchik – RHV Representative/Member

There were no RHT - ZRC Meetings held during the month of April, 2019.

Community Preservation Fund (CPF) Advisory Board – Monthly Report  
April, 2019 – Brent Kovalchik – RHV Representative/Member

A Community Preservation Fund Advisory Board Meeting was held on April 22, 2019 in the Red Hook Town Hall. The following items were discussed:

The CPF Advisory Board reviewed and considered a recommendation to the Red Hook Town Board to add four properties and one correction to an existing parcel to the Community Preservation Plan (CPP).

Three parcels in the Village of Tivoli that comprise the St. Sylvia's lands. These parcels received points due to their inclusion in three categories in the CPP for "Scenic Features, Trails and Gateways" (Target Area 3); "Historic Values" (Target Area 4); and "Village or Village Enhancing Areas" (Target Area 5).

A fourth parcel that provides a potential trail access from Aspinwall Road to an 89 acre Migliorelli parcel.

- o Another parcel (the 89 acre Migliorelli parcel) had an incorrect tax identification number in the 2016 CPP which has now been corrected.

The Red Hook Town Board considered the recommendations of the CPF Advisory Board on April 24, 2019 and amended the CPP to include four properties and one correction.

The current balance of the Community Preservation Fund, as of April 30, 2019, is \$1,415,557.40.

Saw Kill Watershed Community (SKWC) – Monthly Report  
April, 2019 – Brent Kovalchik – RHV Representative/Member

There were no SKWC Meetings held during the month of April, 2019.

Northern Dutchess Alliance (NDA) Executive Committee – Monthly Report  
April, 2019 – Brent Kovalchik – RHV Representative/Member

There were no NDA Executive Committee Meetings held during the month of April, 2019.

Town of Red Hook Local Waterfront Revitalization Program (LWRP) – Working Group – Monthly Report

April, 2019 – Brent Kovalchik – RHV Representative/Member

A LWRP Working Group Meeting was held on April 23, 2019 in the Red Hook Town Hall. The following items were discussed:

- Review the status of the LWRP Working Group project.
  - o Completion by December, 2020.
  - o Review maps to be updated and/or included in report.
  - o Review boundaries, land-use maps, wildlife management map.
  - o Achieve goals of MWBE.
- Review Section II; I – Transportation
  - o Highways, Roads and Streets.
  - o Analysis of Transportation/Traffic Situations.
- Review Section I – Waterfront Revitalization Area Boundary

Village of Red Hook Zoning Review Committee (RHV – ZRC) – Monthly Report

April, 2019 – Ray Towle, Jay Trapp, Brent Kovalchik – Members

a. The RHV – ZRC met on April 14 and 27, 2019 in the Red Hook Village Building. The following items were discussed:

- Proposal to extend the General Business District (GBD) east along East Market Street to include properties currently in the R10,000 and Highway Business (HB) Districts.
- Review/revise/amend definitions as they pertain to the GBD.

## **REGULAR BUSINESS**

Phase II update – Robert Flores of Delaware Engineering was present and stated the water tank on Tower Street is moving forward for being decommissioned, May 18<sup>th</sup> is the next test date, The Town of Red Hook must open up the inter-connect. There was an agreement drawn up in 1991, which is being updated and modified.

**RESOLUTION – 27-2019 - SEQR – WATER LOOP**

## VILLAGE OF RED HOOK

A meeting of the Village of Red Hook was convened in public session at the Village Hall, 7467 South Broadway, Red Hook, New York on May 13, 2019. The meeting was called to order by Mayor Blundell and, upon roll being called, the following were present:

PRESENT:

ABSENT:

The following Resolution was offered by \_\_\_\_\_, seconded by \_\_\_\_\_, to wit:

### RESOLUTION –SEQR – WATER LOOP RT 9 – OLD FARM ROAD RESOLUTION # 27- 2019

Whereas the Village of Red Hook owns and maintains a municipal water system that provides water to village residents, town residents, and business owners and:

Whereas the village requires a modern infrastructure and the Village of Red Hook desires to promote ecological and economic sustainability; and

Whereas the Village of Red Hook contracted with the Dutchess County Waste and Water Authority to sell water to them for the Hoffman Farm/Tradition development in the Town of Red Hook;

Whereas this is a contiguous area to the existing water mains but is only served by one older main in Red Hook Estates and results in the creation of a dead-end of a supply main; and

Whereas the Village also has a dead-end water main on Rt 9 South; and

Whereas it is best practice to have fully connected, looped water mains and this is the best scenario for the village, its new customers and existing customers; and

Whereas the Village of Red Hook has water supply capacity and DEC approval to sell water to Hoffman/Tradition at Red Hook and Hardscrabble Plaza plus the Ross Project, that would be served by construction of a 300 foot run to form a loop along Rt 9 South into Old Farm Road; and three customers who will also benefit from the loop will pro-rate costs, provide easements to include legal, engineering and constructions costs for the loop; and

Whereas the Village of Red Hook will obtain, via the applicant's engineers work product, approval from Dutchess County Department of Health and apply for the NYS DOT Perm costs only; and

Whereas, on May 13, 2019, the Village Board of Trustees declared to serve as lead agency, has considered the criteria contained in 6 NYCRR § 617.7 and thoroughly analyzed all

identified relevant areas of environmental concern; and classified the project as an unlisted action pursuant to SEQRA.

NOW THEREFORE BE IT RESOLVED, by the Board of Trustees of the Village of Red Hook as follows:

1. The Board of Trustees hereby determines that the project as proposed will not result in any significant adverse environmental impacts and that a Draft Environmental Impact Statement will not be prepared.
2. The Board of Trustees authorizes the Mayor to complete and sign page 2 of the Impact Assessment Form Part 2 and page 3 of the of the SEAF.

The Board of Trustee's reviewed the SEOR  
Mayor Blundell made a motion to approve Resolution 27-2019. DM Kovalchik seconded this motion. All were in favor.

- Solar Farm – Mayor Blundell stated there will be a Public Hearing on May 16<sup>th</sup>, 2019 at the Village Hall, which has been circulated.
- Fire Department – An updated contract for fire protection has been drawn up with a 2 % increase, the contract will be consistent with the increases in the Town Contract. The Village and Town will cover the cost of LOSAP and Cancer Coverage. The Village will also agree to open a reserve for \$ 2500 for future capital costs. Mayor Blundell made a motion authorizing him to sign the contract as presented for a two year contract. Trustee Trapp seconded this motion. All were in favor.
- CDBG – Must be ADA compliant – will consider sidewalks on Cherry St by the Elmendorph. Application is due in October.
- Cell Tower Generator – two bids were received CT Male for \$ 11,400 and Delaware Engineering for \$ 14,400. Mayor Blundell made a motion to authorize CT Male to move forward and install the generator. Trustee Trapp seconded this motion. All were in favor.

SEWER USE LAW – **RESOLUTION 26-2019** Local Law 2-2019

**RESOLUTION NO. 26-2019**  
**DATED MAY 13, 2019**

A meeting of the Village of Red Hook Board of Trustees Board was convened in public session at the Village Hall, 7467 South Broadway, Red Hook, New York on May 13, 2019. The meeting was called to order by Mayor Ed Blundell.

RESOLUTION TO ADOPT PROPOSED AMENDMENTS TO THE VILLAGE SEWER LAW  
Local Law 2 of 2019

WHEREAS, a proposed form of a Local Law entitled “A local law to amend Chapter 145, Sewers” (the “Proposed Local Law”) has been submitted to the Village Board of Trustees of the Village of Red Hook (the “Board”); and

WHEREAS, the Proposed Local Law amends and clarifies the obligations of landowners within the active service area of the sewer system to connect to the sewer system and the costs associated therewith; and

WHEREAS, on April 8, 2019 the Board determined that the Proposed Local Law is a Type II action pursuant to the New York State Environmental Quality Review Act (“SEQRA”); and

WHEREAS, a duly noticed public hearing was held on May 13, 2019, during which all those who wished to speak were heard and their testimony recorded.

NOW THEREFORE BE IT RESOLVED, by the Board as follows:

1.

1. The Board hereby adopts said Proposed Local Law as Local Law No. 2 of 2019 (the “Local Law”); and
2. That the Village Clerk be and she hereby is directed to enter said Local Law in the minutes of this meeting and in the Village Code of the Village of Red Hook, to give due notice of the adoption of said Local Law to the Secretary of State of New York, and take all other actions as may be required by law.

The question of the adoption of the foregoing Resolution was duly put to a vote on roll call which resulted as follows:

**VILLAGE OF RED HOOK**  
**LOCAL LAW NO. 2 OF 2019**  
A local law to amend Chapter 145, Sewers

Be it enacted by the Village Board of the Village of Red Hook as follows:

*Section 1. Legislative intent.*

This law amends the sewer use regulations for Village of Red Hook Sewer System. This law is adopted pursuant to authority granted by Article 10 of the Municipal Home Rule Law and Article 14-F of the General Municipal Law.

*Section 2.* Section 145-4 of the Sewer Law is amended to amend the definition of “Service Area of the POTW”, to read as follows:

Service Area of the POTW – the portion of the Village defined by resolution of the Village Board as having available sewerage service.

*Section 3.* Section 145-13 of the Sewer Law is hereby amended to read as follows:

§ 145-13. Connection to public sewer required. The owner(s) of all houses, buildings or properties used for human occupancy, employment, recreation, or other purposes, situated within the Service Area of the POTW, is hereby required at the owner's expense to connect such facilities directly with the public sewerage system, in accordance with the provisions of this chapter, within 90 days after official notice to do so, provided that said public sewer is within 100 feet of the property line.

*Section 4.* Section 145-18 of the Sewer Law is hereby deleted and replaced with the following new Section.

§ 145-18. Disconnection of private sewer components. Once connected to the public sewer, any remaining cesspool, septic tank and similar wastewater disposal system that is not part of the STEP system shall be cleaned of septage by a licensed septage hauler and finally either filled with clean sand, bank-run gravel or dirt, or removed and properly disposed. When the connection is made to the public sewer, the connection to the private wastewater disposal facility shall be broken and both ends of the break shall be plugged, as appropriate.

*Section 5.* Section 145-52 of the Sewer Law is amended to read as follows:

§ 145-52. Apportioned costs.

- A. The costs of furnishing and installing the sewerage system, including the septic tanks and grease traps that are part of the STEP system, shall be borne by the benefitted parcels within the Service Area of the POTW, whether or not connected to the sewerage system or developed, and apportioned upon the lands within the Service Area of the POTW in proportion as nearly as may be with the benefit that each lot or parcel may derive therefrom.
- B. Future Phases. All costs associated with extending the sewerage system beyond the Service Area of the POTW shall be borne by the properties benefitted by such expansion. The Village shall determine the route and location where the STEP force main may terminate. See also 145-20 and 145-21 above.

*Section 6.* Section 145-116 of the Sewer Law is amended to read as follows:

§ 145-116. Normal sewage service charges.

- A. All persons discharging or depositing wastes into the public sewers shall pay a sewer service charge proportional to the liquid volume of waste so deposited, as set forth below.
- B. The normal sewer service charge is based on typical single-family home water use, or a Benefit Unit (BU). A single-family property typically uses 150 gallons per day of water, or one BU. For every 150 gallons per day of water consumed, or portion thereof, a user will be charged an additional BU.
- C. As part of the acquisition of the POTW, the Village has entered into a rate agreement with Red Hook Commons. Normal sewage charges for Phases 1, 2 and 3 of the Red Hook Commons development, as more particularly set forth in the agreement approved by the Village Board, are set forth below:
  - 1. Phases 1 and 2. Fixed annual rate.
  - 2. Phase 3. Normal sewer service charges.

Section 7. A new Section 145-116.1 of the Sewer Law is added to read as follows:

**§ 145-116.1. Capital Costs.**

Additionally, all properties within the Service Area of the POTW benefitted by the sewerage system, whether or not connected to the system, and whether or not developed, shall pay for their portion of capital costs, as set forth by resolution of the Village Board.

*Section 8.* Section 145-117 of the Sewer Law is amended to read as follows:

**§ 145-117. Surcharge for abnormal sewage.**

All persons discharging or depositing wastes with concentrations in excess of the pollutant concentrations in normal sewage shall pay a surcharge. The surcharge shall be in accordance with a schedule of surcharges adopted by the Village Board, as may be amended by resolution of the Village Board from time to time.

*Section 9.* Section 145-118 of the Sewer Law is amended to read as follows:

**§ 145-118. Total sewer service charges and capital costs.**

The total charged to a property is the service charge, plus any surcharges, and capital costs.

*Section 10. Severability.*

The invalidity of any word, section, clause, paragraph, sentence, part or provision of this local law shall not affect the validity of any other part of this local law, which can be given effect within such part or parts.

*Section 11. Effective Date.*

This local law shall take effect immediately upon filing in the office of the New York State Secretary of State in accordance with Section 27 of the Municipal Home Rule Law.

Mayor Blundell made a motion to approve resolution 26-2019 and Local Law 2-2019 as submitted. DM Kovalchik seconded this motion. All were in favor.

**PUBLIC COMMENTS**

George Beekman stated office staff was unaware of garbage tag sale. Also, sidewalks on Cherry Street would create a traffic problem.

Mayor Blundell made a motion to pay bills after audit. Trustee Trapp seconded this motion. All were in favor.

DM Kovalchik made a motion to adjourn the meeting at 9:00 pm. Mayor Blundell seconded this motion. All were in favor.
