Also congressman Delgado letting the Mayor know that ARP rescue plan that the Feds are in line to get 210-220 thousand dollars over a two year period. Pro-rated value by population . Looking for more help from County Executive Marcus Molinaro.

2, Coming up, April 12th meeting will be discussing that many years ago we decided to share services with the County some of the tax cap rules and police training for crisis intervention (CIT/BEAT) to bring in counselors to help the police with the negative impact of mental health that the police encounter. So the mayor put to a vote the need for the police to get the paid training for Cit-Beat training for another year, 2021.
